riage," one runs a poor chance of meeting one's fate.

Mimi was just eighteen, and though she was brought up like a recluse, she began to think it was high time she had a

One evening, as she sat in the company of her father and Aunt Diane, she remarked suddenly, in a plaintive voice, 'Lucy Marshall was married last Tues-"And very silly, at her age!" retorted

Aunt Diane." "
to be at school." Mimi had her own opinion upon the subject, but she prudently kept it to herself; merely remarking:

"Millie Dupont is married, too, and she is six months younger than I am."
"And what then?" asked papa, looking up from his newspaper.
"Oh, nothing," Mimi replied, sighing profoundly. "Harriet says she was married at St. Louis, with six brides-

maids, and a veil, and a train three yards 'Harriet is an idle, gossiping servant," interrupted her aunt, "who has no business filling your head with such non-

"And does my little girl envy these young ladies?" Mr. Legrand inquired. "We-ell," returned Mimi, in a noncommittal tone, "it must be very nice. all my friends are marrying and—and—and I am getting to be quite an old

"Marriage is the chief end of life." Miss Diane, severely. "There are nobler, and higher things to which a woman may devote herself." "Oh, bother!" and Mimi shrugged her

saucy shoulders.
"Mimi," said her father, seriously, you must give up these foolish thoughts. You might find great unhappiness in a "But, papa," urged Mimi, "I am sure you married."

"And bitterly repented it," her father RESPECTFULLY INFORMS THE TRAVeling public that he is now prepared and in residiness to keep such beyonders as may choose to

of this folly, Mimi.

Thus snubbed, she did not dare to say more; but she pouted, and thought to herself, "I might as well be a fright, for no one ever sees me. Unless I can slip George Wolfe away, I never can go out walking with-out Aunt Diane, and even then she makes me bundle up my head in a veil, until, no doubt, every one thinks I've had smallpox. As for a walk on Canal street, Aunt Diane says the men are impudent and stare too much, so she takes ne round by all the alleys and little twocent streets. It's a shame—that's what

it is!" lining. One afternoon, when papa was away at his business, Aunt Diane had "just stepped out to see a friend," Mimi meditated upon what use she could make

jumped up with a yawn.

The only thing she could find in the shape of a romance was "Telemachus;" but she soon flung it into a corner, and went out on the balcony.

It was a lovely April day, and as she

bent over the flower-boxes, there came a round ring at the bell. Hanging over the railing, regardless of appearances, she descried a handsome youth standing

Diany."
"Aunt Diane is not at home," answered

Mimi. "I done tole him dat a'ready, an' he says any ob de fam'ly'll do jes as good."
"I will see him," said Mimi, with dig-"De law, miss! will you?" cried Har

riet, awe struck by such bravery; adding discreetly, "But what'll Miss Diany say?" "Whatever she chooses," said the little rebel, with a parting glance at the Meanwhile, George Wolfe was gazing around the old-fashioned room, with its tarnished gilding and spindle-legged chairs, and deciding that its its inhabit-ants must be a dreadful set of old fossils,

when the door opened, and the sweetest creature in the world came in. George had never seen curlier dark hair, or suc soft, laughing eyes.
Once in the presence of that awful monster, man, against whom she had so often been warned, Mimi lost courage, and faltered out, turning very red, "If

and faltered out, turning very red, "If you please, sir, what do you want?"

The stranger did not seem at all abashed, but answered, "My aunt, Miss Tarlton, commissioned me to place these papers in the hands of Miss Legrand. They are the minutes of the Society for the Propagation of female Independence.

I suppose, that is, I mean to say—are you Miss Legrand?"

"I'm not Aunt Diane," she returned in an insulted tone, "I'm Mimi."

"Oh! I did not think it probable that you were the President of the Society; however, I suppose the papers will be safe in your hands," said George, and having finished his errand, he should have gone. But he still hingered, and have the hon remarked brilliantly, "We are having daughter—"

beautiful weather!"

"Beautiful!" assented Mimi, looking at him under her long eyelashes, and thinking the man was not so black as

me! I'm not allowed to walk on any street where anyone else walks.

Mimi Legrand had made up her mind that spinsterhood was to be her lot. Not that she was ugly or ill-tempered—oh, no! She was pretty as a picture, and she was as sweet as a May morning; but street where anyone else walks. "How cruel!" he responded, sympathetically. "Isn't it?" said she, being an inveterate chatterbox, and glad to find some one who would listen to her. "I might when one lives on Esplande street, in a as well be a prisoner, and idle around in house with a high wall around it, with a the Japanese Tommy. How would you

maiden aunt for a duenna, and a papa like to have your aunt always following who scowls at the bare mention of "mar-you about?" you about?"
"I should like it very much," an "But Aunt Diane isn't," said Mimi, confidentially. "Though," she added, conscience smiting her, "she is very nice and good. But she always will keep on saying that people oughtn't to marry—and that is such nonsense, isn't it?"

"Absurdity!" George cried, warmly; and after more conversation of a like na-"A mere chit—she ought ture, he rose to go, saying, "I hope this will not be our last meeting, Miss Le-

grand. May I call on you?" "Oh, my!" cried Mimi, aghast, "Don't try it. Papa would be so angry, and Aunt Diane would bite your head off." George seemed quite cast down for a minute, and then said, "I will say goodbye; but it shall not be forever.'

"Au revoir," said Mimi, drooping her long black lashes. As soon as Aunt Diane came home Mimi told her about Mr. Wolfe, and gave her the package of papers.
"You went down to see him!" ejaculated the spinster, "alone—without a chaperon! What well-behaved girl ever

did such a thing? What an unprecedented boldness! What will your father say when I tell him?"
"Don't see what I've done," pouted Mimi, "and why did you always tell me men were so frightful and wicked. I wasn't a bit afraid of him."

"Misguided girl!" groaned her aunt, "you will bring my grey hairs in sorrow to the grave. What—what will your father say?"

"Her dyed hairs, I guess she means,"
thought Mimi; adding aloud, "Why,
he'll say you ought to have been at

home to receive the papers-that's what he'll say.' Miss Diane reflected that this artful remark was true, and not caring to be reprimanded by her brother, she mag-nanimously said, "For once, I will consent to spare you, Mimi, but never let it happen again."
"Oh, dear, no!" said Mimi, with a

virtuous air; and that evening she prat-tled as artlessly as ever to her unsus-Even Aunt Diane's heart was softened, Several times after this, as Mimi was peering through the shutters, she saw George Wolfe, and each time, the auda-cious youth kissed his hand to her.

was continually in her mind, and the warnings of her guardians defeated their object to realize that stolen waters are While this was going on an old aunt of Miss Diane, from whom she had ex-

Having little else to think about, he

ent streets. It's a shame—that's what bectations, was taken very ill, and Miss Diane flew to her succor, leaving Mimi to the care of her father, who, fearing no danger, took no precautions.

One afternoon, Mimi, taking advantage of her liberty, went out to carry some soup to a poor invalid in St. An-thony's alley, and this being done, linof her liberty. She sat down to the thony's alley, and this being done, lin-piano, and began "I love my love;" then gered in the Square. By a strange coincidence George Wolfe suddenly appeared from behind a eucalyptus tree and turned as rosy as an April dawn at the

sight of her.
"I had begun to despair of ever seeing you again," "and almost made up my mind to brave the dragon." "Aunt Diane is away on a visit, now,"

she replied, demurely.
"That accounts for your being out of on the steps.

"A man!" she exclaimed, inwardly,

"Oh joy!"

"A jail-bird, you mean. I might as well have been in prison. How nice you must find it to go about by yourself."

"I know some one I would like to go about with me all the time."

"Whe is it?" questioned Mimi.

"Who is it?" questioned Mimi.
"I am afraid to tell you."
"Why should you be? I won't hurt "You give me permission to tell?" "Why, yes, of course. Who is it?"
"You, Mimi!" "O-oh!" she cried, opening her eyes ery wide. "Would you really?" "Yes, indeed."

"But you might get tired of me, some "With you, Mimi, I could go on forever, and ever, and-"Walking forever? I think I would like to take a street-car, occasionally."
"Now, you're laughing at me, Mimi.
I thought you liked me better than

Discreet silence on Mimi's part. "Perhaps, though, you don't like me at all.

Still silence.
"Do you, Mimi"—very urgently.
"Yes," she murmured, hanging her Hands clasp, eyes meet, beneath the ucalyptus tree, and "the old story is

These meetings had gone on for som

time, when George determined to go to Mr. Legrand, and throw himself upon his mercy. With outward calmness, but quaking inwardly, he entered Mr. Legrand's presence, while the cowardly little Mimi kept carefully out of the way.

"May I inquire the nature of your business, sir," asked Mr. Legrand, loftily, looking down at the young man's

George turned scarlet, and said: "I have the honor of knowing your lovely "You are laboring under a mistake

young man. My daughter has no masculine acquaintances. You must mean some other lady."

Heavens! As if there could be more than one Mimi in the world. Aunt Diane painted him.

"I suppose," he patinued, deperately, "you enjoy walking in Canal street, these pleasant moons?"

"Ah!" said "Ani, shaking her head ask for her hand in marriage," stammered George, very much abashed. ittle know Aunt Diane if mered George, very much abashed.

nything of the sort. Dear "What!" ejaculated Mr. Legrand, and

suitor toward the door.

"But, my dear sir-

on that one word.

worldly prospects-

I had always supposed that even so formidable an insect as a wasp would hardly want anything to do with a good, full grown spider, for I knew enough of the combativeness of the latter to presume that he would not meekly submit to the sacrifice of his progeny to satisfy It frightened George, but he went on bravely. "I am the junior partner of the firm of Davis & Wolfe, and my "After all the trouble I have taken to keep her from contact with the mail sex!" interrupted Mr. Legrand, apostrophizing the appetite of a wasp. But one day I the opposite wall. the whole thing very clear to me. You know of the careful manner in which the annoying, but I trust you will overlook it for once, and—"
"Mr. Wolfe, there is the door!" said spider builds and incloses the nest in which his young are brought forth and reared? Well, I was observing one of Mr. Legrand, sternly.

Refusing to take the hint, George continued—"And let me explain—"

His intended explanation was cut short

reared? Well, I was observing one of these nests one morning, when I saw a mud wasp come buzzing along and alight within an inch or two of it, on the side opposite the opening. After all was quiet he proceeded with his little game by Mr. Legrand, who seized him firmly by the arm, and walked him out into the of strategy. Creeping noiselessly around toward the opening or entrance to the nest he stopped a little short of it, and for a moment remained perfectly quiet.
Then reaching out one of his antennæ he
wriggled it before the opening and withdrew it. This overture had the desired
effect, for the boss of the nest, as large a retorted he, still pushing the struggling "I am not your dear sir, young man, and I have no desire to be," said the spider as one ordinarily sees, came out to see what was wrong and to set it to rights. No sooner had the spider emerged to that point where he was at stern parent, and he hastily thrust George out, and shut the door, thinking he had seen the last of him. the worst disadvantage, than the wasp, with a movement quicker than a wink, But unfortunately or fortunately, as it turned out—he had slammed the door on swung the rear portion of his body around and thrust his sting through the George's coat-tail, and when that dejected suitor attempted to walk down the steps, body of his foe, killing him easily and almost instantly. The experiment was repeated on the part of the wasp, and he found himself securely fastened there. What should he do? Stand still, until some one came out, and allow the finger when there was no response from the inside he became satisfied, probably, that of scorn to be pointed at him by the gamin of the neighborhood. Perish the he held the fort. At all events, he prothought! After many struggles, he grasped the bell-handle and pulled it fuceeded to enter the nest and slaughter the young spiders, which were afterward lugged off, one at a time. You see this Still ruffled in his temper, Mr. Legrand accounts fully for the spider linings which we always see in the nests of mud wasps, and makes all as clear as if that particular wasp had told me beforehand just what he proposed by his strategy to accomplish. Now it is just such demon-strations as this which must convince us "how could I go away, when you had fastened my coat-tail in the door?" of the intelligence of the lower animals, differing only in degree and development laughed, and having relented so far, confrom the intelligence of man .- [Seth descended to talk the matter over with George, the result being, that laughing, Green.

### Causes of Insanity.

A table in the last report of the Utica

"Well, well! girls will be girls, I sup-"Well, well! girls will be girls, I suppose," said papa, determined to put a good face on the matter, and after all, he largest number (282 in a total of 410) er's housekeepers, meaning, we suppose, and she made no objection to the marfarmers wives, laborers and domestic ser-vants. This illustrates that a monotoriage—and Mrs. George Wolfe often says that she owes all her happiness to George's coat-tail. nous and toilsome life, with little or no relaxation or recreation, is more liab e to unsettle the mind and destroy the reason, than a life of greater mental and social activity. Most of the patients were native If every man of family would lay Americans, and married. Their ages in the main were from twenty to forty; very few were illiterate; but few also had more n a small amount of copper wire from coarse to fine, and some rivets than a common school education. In 427 cases but 122 inherited any taint of insanity: 205 patients remained not over six months, and 141 not over two months, and burs of the same metal; also, a pair of pincers or pliers suitable for use with wire, and a pair of tinner's shears or snips, a punch to make showing that the malady was not severe. Intemperance was a minor cause—eleven per cent. Female disorders causes about twelve per cent., while the prime causes in the largest number of cases was ill-health, stimulated by overwork, grief, holes for the rivets, and a hammer, he will have an outfit with which a person with very little mechanical skill can save enough money every anxiety and sleeplessness. To the causes cited above which encourage mental disyear to pay the subscription price of our paper by mending cracked or broken articles about the premises. turbances, we would add dyspepsia, due to poor or ill-cooked food. In this connec-With the rivets he can almost instantly mend in a durable manner paper on the health of Massachusetts farmers, by Dr. J. F. # A Fortunate Incident.

A young lady had a present of a very valuable watch. One day, however, it suddenly stopped, and not wishing to meddle with it herself, she took it to a inserting strips of tin two inches wide and six inches long under the shingles where they join. This patchwork cannot be seen, as the lone; so she said she would come again in a day or two. That pickt she dreamed strips are covered by the shingles. in a day or two. That night she dreamed that the watchmaker's shop would be burned next evening; so, early next morning, she asked her sister to call for against vermin, such as mice and rats, are cheap and efficacious. By cutting out the side or end of keromatter," she said; "get it for me as it is, done or not. Don't come back without it, for the shop will be burned this even-inp; I saw it all in a dream last night." Immediately after breakfast her sister found as durable and handy as bas- went for the watch, but was told that it was not yet mended.
"How long will it take to do it?" she

"About an hour," the man answered. "Very well, then," she said; "I will

grand round again, and is expected to illuminate the Presidential canvass this summer. In 1106 it showed with wait for it." So she sat down, and waited patiently until it was repaired, for her sister was in a most excited state of mind about it, in a most excited state of mind about it, and would have been greatly annoyed if she had returned without.

That evening at 7 o'clock the house took fire, and the flames spread so rapidly that it was impossible to save anything; and had the watch been left visible at noonday; in 1454 it is said to have eclipsed the moon; in 1689 it inspired with terror the unlettered throughout the world, and in 1843 it

predictions of the speedy destruction of the world by fire. Should it return this year with its accustomed style, it may be expected to conduct itself so as to there, it would have been destroyed. Three days after a baby is born everycreate a profound sensation. - Kansas

body says, "Ketchetty, ketchetty," and digs its ribs with a forefinger. Hence the prevalence of ill-temper in adults.
